Need-based aid will be awarded at the discretion of the Executive Director on a semester basis. Availability of funds will depend upon the number and merit of applications received.

It is expected that if a family's circumstances change, they will notify the committee that further assistance is not needed. They may also petition (on a timely basis) for increased assistance if the need arises.

**A copy of the family's 2021 Federal Tax Return is required** to assist in making a fair determination regarding this application. Circumstances which contradict or negate figures contained on the return should be explained in Part I of the application.
