Student Request for Window Air Conditioner
The Indiana Academy
Wagoner Halls

765-285-8125 Front Desk 765-285-2778 Fax

Some students with medical needs may require air conditioning. For this reason, students with written authorization from the Office of Housing and Residence Life may rent air conditioners for their residence hall rooms from Ball State University. Only air conditioners rented from Ball State University are permitted.

Yearly Rental Fee: $150.00, which includes installation charges billed to student's Bursar's account

Requesting an air conditioner is a three-step process:

Step One: Student completes this form.

Step Two: Student takes the Medical Verification Form to his/her appropriate licensed health care professional to complete. (Sorry, a prescription from the physician will not be accepted and a physician must complete the form in its entirety.

Step Three: Mail or fax the completed Student Request Form and Medical Verification Form to the following address:

The Indiana Academy
Wagoner Halls
Muncie, IN 47306-0655
Attn: Renee Drumm

As part of the accommodation process, you may be interviewed. Remember, a request for an accommodation will not be considered without the official "Student Request for Air Conditioner" **and** "Medical Verification for Air Conditioner/Physician's Statement"
